Remarks

Are you wanting to live in a no HOA area? Would you love to have an RV garage? How about a BRAND NEW Home? Located close to Grand Ave. This home will be done before the holidays. This gorgeous home features 3 great size bedrooms, the master has a stunning huge tiled walk in shower. Custom cabinets through out home (Buyers choice from samples) and Beautiful granite countertops. There is wood look tile though out. The layout of this home is great, there is a walk through laundry with a wash station. The home also sits North/South which is highly desired. Builder will consider putting up a block wall around backyard. This can be negotiated into the purchase price. PHOTOS ARE FROM COMPLETED HOME!!
